TEAM MEMBER FINANCIAL COMMITMENT & POLICIES

Team tuition is all-inclusive of general monthly training tuition (team practices), the athletes', choreography/music fees, and other fees, excluding competitions. Team tuition is based on a 12 month period (sept-Aug) and is not based on attendance or the number of practices held in any given month. The first month's tuition will be drafted on the first day of the new season. All other payments will be due on the first of each month. If an athlete joins after the initial start of the season, "catch-up" fees will be collected to cover their competition costs and/or other considerations. By enrolling in Loud & Proud and accepting the spot on the team, you agree to the financial commitment of the 12 month season.
